

Parking Arrangements

Tour

If you are away on tour please could you park your car in the designated area on the gravel area in the depot. Please leave your keys in your pigeonhole in case your car needs to be moved.

Local Work

If you are doing local work or only away for a day or 2 please park in the marked bays outside the depot. If for whatever reason there are no spaces available outside then please park in the designated area on the gravel area in the depot, but this is only in the eventuality there is no available spaces outside of the depot, if you do have to park in the depot then please leave your keys in your pigeon hole.

Parking your vehicle in either place is entirely at your own risk.

If you are parking in the depot please ensure you leave your vehicle parked correctly and not in the way of normal operation of the depot.
